

ALUMINIUM FLASHINGS, CILLS, & TRIMS

To enable us to price up and / or manufacture aluminium flashings, cills, trims, etc. we need the exact information.

PLEASE FILL IN OUR FLASHING SHEET AND INCLUDE THE FOLLOWING:

| | |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| GAUGE | <i>Thickness of the aluminium (mm)</i> |
| FINISH | <i>Polyester powder coated (PPC) or mill finish (MILL).</i> |
| COLOUR | <i>(If coated) RAL / BS code or "Heritage" colour name.</i> |
| PPC SIDE | <i>Coated one side or both - indicate face to be coated.</i> |
| BUTT STRAPS | <i>If selected, one jointer will be installed to left hand end of lengths - (looking from front). Corners / angles have butt straps to both ends.</i> |
| HOLES | <i>If you require the flashings to have punched holes eg. for fixing give full details. SOME PROFILES WILL NEED HOLES FOR PPC SO PLEASE SPECIFY CLEARLY IF NO HOLES ARE REQUIRED.</i> |
| LENGTH | <i>We normally supply in 3 & 1.5 meter lengths (economic size).</i> |

Please state any other relevant details.

Enclosed is an example drawing, and blank one two and four way forms.

Thank you very much for your assistance.
